RE: 2006 Institute for School and Public Librarians

The Illinois State Library is pleased to announce the selected attendees for the 2006 Institute for School and Public Librarians (ISPL).

The Institute is being held June 11-16, 2006 at Bradley University in Peoria. We extend our thanks to Bradley for their support and organizational efficiency!

A \$50.00 registration fee is charged each attendee. This fee is used to cover expenses that cannot be expended from other funding sources. The regional library systems' continued support underwriting this fee for your attendees is greatly appreciated. Your system will be billed. If your system will not be paying the registration fee, please notify Karen (kegan@ilsos.net) or Ron (rwinner@ilsos.net).

Both Karen and I welcome any input (topics to be covered, information to be distributed, potential speaker recommendations) that you or your consulting staff might have regarding the Institute.

Thank you for your continued support.
